## News Briefs

### Basketball tourny for kids

The Palm Beach County Parks and Recreation Department is sponsoring a five on five basketball tournament for youths.

The event will be held at Glades Pioneer Park on Dec. 18, from 10 a.m. until 4 p.m. The event is free and open to youth ages 9 to 18.

For more information, call James H. Conney or Louis Butts at 996-8791.

### AIDS Awareness Luncheon

An AIDS Awareness Luncheon will be held on Thursday, Dec. 2, at noon at the Drawbridge Restaurant.

This year, the theme for World AIDS Week is "Time to Act."

Presenting at the luncheon will be Mayor Clarence Anthony of South Bay, Mayor Ramon Horta of Pahokee, and County Commissioner Ken Foster.

Lunch will include the tradition Drawbridge buffet, beverages and gratuity. Tickets are \$7 and seating is limited to the first 150 people. For tickets and information call Sandra Daniels at 996-1600 or the Comprehensive AIDS Program at 996-7059.

### Memorial Service

World AIDS/Week remembers those friends and family members who have fallen victim to AIDS with a special memorial service, Monday, Dec. 6, at 6:30 p.m. at the Dolly Hand Cultural Arts Center.

The center is located on the campus of Palm Beach Community College in Belle Glade, just off State Road 715.

Several choirs and speakers will present the program. Everyone is invited.

### Fundraiser for Alzheimer's Day Care

The Alzheimer's Adult Day Care Program is sponsoring a fundraiser for this Saturday, Dec. 4, at the Good Shepherd Church of God, 1800 Bacom Point Road, Pahokee.

The group will be selling used items as well as baked goods. For more information, call 924-7283.

### Libraries closed at holidays

each County Library system locations will be closed on Friday, Saturday, Sunday, and Monday, Dec. 24, 25, 26, and 27, for the holidays.

They will also be closed Friday, Dec. 31, and Saturday, Jan. 1, 1994, for New Year's.

### Garden Club plans event

Pahokee Garden Club members are planning to have a bake sale along with a crafts and plant sale this Saturday, Dec. 4, beginning at 9 a.m. in front of the Pahokee Chamber of Commerce.

## Sugar mill security guard found dead; no suspects

By Tammy Jackson  
Staff Reporter

A security guard at the Okelanta Corporation sugar mill was found shot to death on Nov. 26. Deputies and detectives with the Palm Beach County Sheriff's Office were dispatched to the area, approximately seven miles south of South Bay on U.S. Highway 27.

Employees with the sugar mill found Amillio Castillo, 71, on the floor of a guardhouse at approximately 10:30 p.m. A window in the guardhouse had been shattered. It was discovered that the guard had been shot numerous times. According to sheriff's reports, the caliber of the weapon is unknown.

An investigation revealed that Castillo had no reported enemies, and he had no problems with anyone at work.

According to Detective Sgt. John Russ of the Palm Beach County Sheriff's Department, the Palm Beach County Medical Examiner's autopsy report indicates that Castillo died from blunt trauma and gunshot wounds.

Castillo had been employed with Okelanta Sugar Mill for one-and-a-half years as a security guard on the night shift.

"Everybody thought very highly of him," said a spokesman for Okelanta, which is owned and operated by the Fanjul family of Palm Beach. "We are shocked by this terrible tragedy."

The spokesman went on to say that the victim's wallet and other personal belongings were found in the guardhouse. However, nothing else appeared to be missing.

Two other security guards on duty with Castillo were equipped with radios. According to them, Castillo did not contact them.

With little leads to go on, the case is still under investigation. Persons having information about the incident is asked to contact the Palm Beach County Sheriff's Office at 996-1670, or the Palm Beach County Crime Stoppers tips line at 1-800-458-8477. Persons providing information are not required to give their name.

## Belle Glade's Christmas parade is Saturday

There's a nip in the air from the North Pole and Santa has followed the jet stream to the Glades to participate in Saturday's "Christmas in the Glades" parade.

Entries are still being accepted, according to Iris Tanner, executive director for the chamber, but better hurry, the deadline is today at 3 p.m.

Decorated cars, trucks and floats will begin making their way down Main Street from the Town Square Plaza (Dinos) beginning at 10 a.m. and the parade will end at the Municipal Complex on South Main Street.

Parade Chairman is Lee Sutterfield and Parade Marshal will be Belle Glade's Citizen of the Year for 1993-94 Mercedes Robinson. Mrs. Tanner said three bands will add excitement to the parade and trophies will be given for best float, best marching unit and best decorated vehicle. The chamber will have the only live Santa in the parade. Entries will be judged on originality, theme, and skill.

Parade entries should call the chamber at 996-2745.

## Walk/run set for Saturday to benefit Hurston Museum

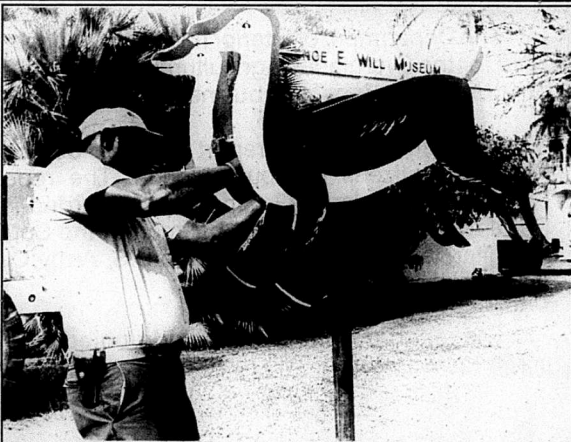

The Mucketeerin' Walk 'n Run-A-Thon, sponsored by the Zora Neale Hurston Roof Garden Museum, will begin at 7:15 a.m. Saturday.

A fundraiser for the Museum's Building Fund, this event will begin with an aerobic warm-up session at 7:15 a.m., in the Lake Shore Middle School Gymnasium.

Runners will begin the 4.7 mile course at 8 a.m. and walkers will begin at 9:20 a.m. and will join the line-up of the Christmas parade on Avenue L around 10 a.m.

A small group, including Professor Joe Ramsey of Florida Atlantic University and former Miami track and field coach Al Booker, surveyed the walking course on Nov. 13. A minimum entry fee of \$5 has been set to participate in the race and commemorative t-shirts are available. And, a barbecue awards ceremony of 19 winners in several categories will be held at noon on the Lake Shore Middle School field.

To enter the race, call Lake Shore Middle School at 996-4960.

Tis the season...The lawn at the Belle Glade Library gets decorated with Santa and his reindeer in preparation for the Christmas season. City employee Joe Engram tightens a bolt on the display. SUNPHOTO by Brenda Bunting

## Possible contamination found at gas station on State Road 715

By Brenda Bunting  
Editor

Alleged continuing violations of Florida Department of Environmental Protection Rules and Regulations has caused the temporary closing of Rodriguez Food Store at 1240 N.W. 16th Street, Belle Glade.

Sheriff's officials and members of the Florida Department of Environmental Protection Agency converged on the store and gas station Monday afternoon to begin testing the underground water and soil at the station.

Officials believe the tanks have been leaking gas and diesel fuel into the ground. The city's water supply has not been contaminated.

Owner Emilio Perez was sent a warning letter about the possible violations on September 13 of this year, but failed to have the possible violations checked. Mr. Perez, who owns Nana's Petroleum, Inc., in Pahokee had similar problems with storage tanks in Pahokee several years ago.

Charges could be made against Mr. Perez, including misdemeanor violations of EPA rules and felony charges of willfully causing pollution.

Mr. Perez could not be reached for comment Wednesday morning, but he said in a *Palm Beach Post* article that he was unclear who is responsible for the pollution, but Nana would comply with any legal findings or cleanup order.

## Commission takes action to proceed with demolition of "The House of Pain"

By Brenda Bunting  
Editor

Time's up for a nursing-home owner who wanted to renovate a run-down boarding house known by neighbors as "The House of Pain."

City commissioners in Belle Glade voted last week to proceed with legal action to have the building demolished after owner Margaret Peavy failed to provide documentation she had the financial ability to fix up the deteriorating building. Commissioner Harma Miller said she felt the commission had given Mrs. Peavy more than enough time to meet the city's requirements.

"This has been going on for

over a year," said Mrs. Miller.

"I'm fed up." The Planning and Zoning Board declared the building, located at 416 S.W. Avenue B Place, a dangerous building and a public nuisance in April of 1992. It violated hundreds of city codes.

At that time, the building was owned by Sonny Fowler, who has since died. He sold the building to Mrs. Peavy last December. She had plans to renovate the building and turn it into a 26-unit apartment building.

Neighbors had complained to the city about things going on in the building, including prostitution and the sale of drugs.

Tenants were also accused of neighbors of luring children as young as 10 into the building for sex.

Mrs. Peavy had plans to change all that by renovating the three-story building and rename it Big Mary's Apartment Complex. She paid the delinquent property taxes and put a fence around the building.

Commissioners had hoped the building could be renovated and contribute to the city's tax base, but finally gave up that hope after Mrs. Peavy failed to meet several deadlines.

Contractors reported that the property, appraised at \$55,000, would cost more than \$315,000 to renovate.

## Woman files battery charges, says Belle Glade Commissioner pushed her

By Brenda Bunting  
Editor

Edith Marsh, 32, filed a complaint with the Belle Glade Police Department saying a Belle Glade Commissioner pushed her as she was leaving his store.

Rodney "Clay" Connell, manager of Badcock Furniture, was in his store Saturday morning when Ms. Marsh went in to say she had received a bill that was not hers, but her sister's.

Ms. Marsh, the owner of Dawn's Fashions, which is next door to Badcock Furniture on S.W. Avenue B, said she told Mr. Connell they should get their billing right and let him know how she felt about the matter. She said Mr. Connell loudly told her to get out of the store and as she was leaving,

pushed her. Mr. Connell denies having touched Ms. Marsh.

"I'm not lying. He pushed me hard as I turned to walk out of the store. His two employees saw it."

Mr. Connell said he apologized to Marsh about the bill, but had to ask her to leave when she began yelling and cursing. She would not leave until he threatened to call the police, he said. He filed his own complaint of trespass and disorderly conduct. Badcock's two store employees told police Mr. Connell did not push the woman. The police took on action on the complaint.

Ms. Marsh said she had planned to go to the state attorney's office to file criminal charges, but now says she will let the matter drop.

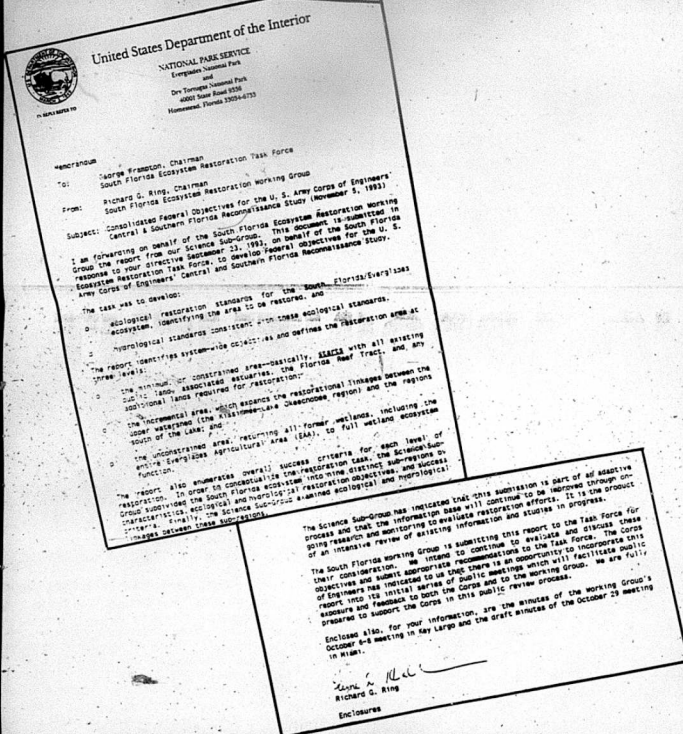

Winners in the Hoop Shoot...The Elks Lodge Hoop Shoot was Saturday morning in the Christian Day School gym. Here are the winners: Front row, from left, Crystal Wetherington, 1st in the girls' 10-11 age division, Cymel Wetherington, 1st in the 12-13 age group for girls, and Larry Garrett (1st in the 12-13 age division for boys. Back row, from left are Jim Beausergue, 3rd in the 12-13 boys' group, Michael Francois, 2nd in the 12-13 boys' age group, and Nelson Willis II, 1st in the 10-11 age group for boys.

# FEDERAL EVERGLADES OBJECTIVES INCLUDE TAKING YOUR LAND AND JOBS!

The Department of Interior has finally exposed its **real objectives** and **ultimate environmental plan** for the Everglades Agricultural Area (EAA). These objectives, if adopted, will result in the loss of your homes, jobs and businesses.

A November 5, 1993 report identified **objectives** which would endanger the future economic life of all citizens in South Florida. The report prepared by the South Florida Ecosystem Restoration Working Group was forwarded to George Frampton, Under-secretary of the Department of Interior and Chairman of the South Florida Ecosystem Restoration Task Force. It identified federal objectives for the U.S. Army Corps of Engineers' Central and Southern Florida reconnaissance study.

The report defined **system-wide objectives** to develop ecological restoration and identified areas to be restored. The restoration area has been described at three levels:

- \* **The Minimum:** Starts with all existing public land, associated estuaries, the Florida Reef Tract, and any additional lands required for restoration, which could include all EAA lands lying between the Miami and North New River canals.
- \* **The Incremental:** Expands the restorational linkages between the upper watershed (the Kissimmee-Lake Okeechobee region) and the regions south of the Lake with return to marsh of all the lands lying between the Miami and North New River canals.
- \* **The Maximum:** Returning all former wetlands, including the **ENTIRE EVERGLADES AGRICULTURAL AREA** to full wetland ecosystem function; i.e., marsh.

**If you don't want to lose your city, business, farm, job or residence you can express your views at the following public hearings:**

## Dolly Hand Cultural Arts Center & Palm Beach Community College news

**By Maria Wise Miller**  
A recipe for holiday cheer, guaranteed to last all year: Mix some choirs and holiday songs. Add glittering costumes, and Christmas cheer. With a pinch of twinkle and a dab of sparkle, Top off with a new towering, colorful tree... and you have the Dolly Hand Cultural Arts Center's "The Living Christmas Tree"

A program presented for the heart as a gift to the community, this special production features talented members of the Glades area singing the songs of the Christmas season.

You may have heard the rumor about our "New" and "Improved" Christmas Tree. Well...it's true. The tree holds

up to 50 persons on four different levels and will be decorated with lights, and of course the singers in costume making it a true LIVING CHRISTMAS TREE. Both an adult and a children's choir will perform a variety of holiday favorites.

And the sound...the music is outstanding.

This will be a program you will want to see with your entire family. Performances are Saturday, Dec. 4, at 7:30 p.m., and Sunday, Dec. 5, at 3 p.m. Tickets are \$2 and are available at the Dolly Hand Cultural Arts Center box office or by calling 992-5160.

In addition to the "Living Christmas Tree" program, the Dolly Hand Cultural Arts Center will be decorated with a complete life-size manger scene created by the Eckerd Family Youth Alternative program of the Eckerd Boys Camp. These young men hand crafted the scene which will be on display during the program.

At the college, this is the time to look at the classes for the winter term. There are programs and classes to fill many interests. From degree-seeking students, to enrichment and recreation for non-degree seekers, call the col-

lege now to get information about new classes.

Senior citizens, there are special programs for you.

The Palm Beach Community College is a real resource in the Glades, take advantage of all it has to offer - remember, you never stop learning!

## Twenty-three Glades residents take a trip to the Holy Land

By Rev. Jackie McMillan

The hopes and dreams of a lifetime came true for these Holy Land Pilgrims! The Pilgrimage to Israel began on the morning of Nov. 16, and was completed on Thanksgiving Day.

From the beginning, Liaka and Bobby Hooker, Syd and Gloria Smith, Ennis and Ed Cushman, Milton and Nancy Carpenter with granddaughter, Christina, Earl and Helen Wilson, Dennis and Diane Wagner, Helen Henderson, Ann Wood, Lucille Bergeron, Sherri Conte, Melrae Aller, Bonnie McMillan, Inez Turnbull, Yvonne Dawson, with the Reverends Don and Jackie McMillan, were an expectant group.

The pilgrims visited all the places where Jesus walked 2,000 years ago, including such familiar places as Bethlehem, Nazareth, Capernaum, Jericho, Bethany, and Jerusalem.

Milton Carpenter and Dennis Wagner led the group in songs of inspirational praise at many of the sites. To hear Dennis Wagner sing "The Old Rugged Cross" in the Domi-

nus Flevit (God Wept) chapel, on the Mount of Olives, was a deeply spiritual moment for everyone.

To hear Milton Carpenter sing the song of our hearts, "I walked today where Jesus walked", at the site of the pool of Bethesda, on the temple mount, was an awesome time for each one of us. To worship together at the Jordan River, where many remembered their baptism, or were baptized for the first time, in the same river where Jesus was baptized, it was a time of rededication and commitment. Later, many couples reaffirmed their wedding vows at the chapel in Cana, which commemorates the place where Jesus performed his first miracle, at a wedding feast, by turning water into wine. As they worshipped in the church of the Nativity, in Bethlehem, which memorializes the place where Jesus was born, they read the

scriptures and sang such favorites as "Silent Night, Holy Night".

Each pilgrim was touched by the realization that they were in the place where, 2,000 years ago, the star illuminated the night, the shepherds in nearby fields were heralded by a host of angels, and God Himself came to dwell among men, as Jesus of Nazareth, the Christ.

The Pilgrims came home with hearts full and overflowing, looking toward Christmas with renewed hearts and minds. Just ask anyone of them in the days ahead, "I heard you went to Israel. What did it mean to you?"

And then prepare yourself for a long visit, as they share and share. The trip was organized and hosted by the Community United Methodist Church of Belle Glade and the Canal Point United Methodist Church of Canal Point.

### Lights needed

I'd like to know, who's responsible for lighting in Lake Breeze Trailer Park?

Somebody put reflectors on the road, which is very helpful, but it's pitch black down there as soon as it gets dark.

I almost ran over someone backing out of my driveway because they were getting their mail after dark.

I don't know who to address this to. Maybe you can help me find out. Thank you very much for your time.

**Editor's note:** Lake Breeze is located outside city limits, therefore, not the responsibility of any city government. Perhaps, if after speaking to your landlord, you will have an answer, but if not, I suggest you call the county at 996-4900

and they may be able to direct your question to the proper authority.

### Why the perks?

I read with great interest your article about Mr. Iyester in Pahokee. I wonder when the city commissioners, and Mr. Lomax Harrelle are going to get wise here in Belle Glade and realize that the citizens of Belle Glade do not like Mike Underwood living off city property, paying no utilities and coaching at Glades Day School during city hours.

I'd like to see something done about this. Thank you.  
**Editor's note:** Please see Belle Glade City Manager Lomax Harrelle's response on page 5.

## Letters to the editor

### Dear Editor:

Florida's citizens have spoken out strongly against the recently implemented Advance Disposal Fee (ADF) as an unfair and punitive tax on individuals who were already recycling.

During this time, the Florida Department of Environmental Protection has been diverting attention away from the real issues surrounding the ADF by calling on consumers to boycott ADF containers. The fact is, container manufacturers are as much a victim of this new tax as consumers.

Floridians AND industry should be commended for setting new recycling records in the state. In the four years following passage of the 1988 solid waste law, the glass industry increased the volume of glass purchased by 283 percent. At the same time, the industry was spending almost 100 million dollars on capital improvements in the state on such items as furnace upgrades, plant modernization, and expansion of processing capacity. The glass industry, like Florida's citizens, was not rewarded for these accomplishments but was slapped with a punitive and regressive fee on its containers.

The ADF concept is as ypt unproven. However, it cannot work unless there is a level playing field for all containers. Currently, such a condition does not exist. The content requirements in the law are not realistic and are not even the same for each material type. Despite Florida's phenomenal recycling growth, an adequate level of collection is not occurring to reach the goals for many material types.

And finally, a word about the Department of Environmental Protection's call for a consumer boycott of ADF containers. If a boycott of containers is successful, it will drive industries that produce those containers out of business or out of state. If that happens, they can no longer provide a market for recycled materials. It is important to remember that the 1993 ADF law says "industries conducting business within the state...play a vital environmental and economic

role in Florida's future. The intent of encouraging the use of recovered materials or recycled content is not to harm these vital industries."

It is unfortunate that the state of Florida has chosen to ignore common sense and the specifically stated intent of the law. The ADF was meant to be a carrot - not a stick. This ADF is looking more and more like a stick with orange paint on it.

V. David Baker  
Executive Director  
SE Glass Recycling Program  
Clearwater, Florida

### Dear Friends:

What is the old saying, "Better late than never"? It has been almost a month since the Saks Fifth Avenue/American Red Cross Fashion Show was held at the Elks Club in Belle Glade. I want to thank all of you for your support.

Thanks to your generosity and underwriting, a clear profit of over \$12,000 to be used in the Glades area was realized.

You have a great team in Jeannette Dexter, her committee and Anne Hopkins. We had attendees from Clewiston, South Bay, Belle Glade, Pahokee, Canal Point, Wellington, Jupiter and even as far away as Miami.

It is nice to know that even though friends move away, they still think of the Glades as home. Keep up the good work.

It felt so good to be home again. I was able to assist Anne in the office the two weeks previous to the fashion show, as she was moving your new office to 220 Main Street. It was so nice to speak to several of my old friends and acquaintances and help do something for the Glades at the same time. I really miss the warmth and friendship of the Glades. God bless all of you and may you have a safe holiday season. I love and miss all of you.

Mary Margaret Gray

## When to visit the emergency room

By Dr. John Gay, Regional Director,  
Community Medical Plan, Inc.

### Here are some things to know:

You should go to the emergency room if:

- You think you are having a heart attack
- You have bad or many injuries
- You have bleeding you can't stop
- You have a painful cough or can't breathe
- You are burned badly
- You are poisoned
- Someone is unconscious
- Someone is very dizzy or almost knocked out
- You have severe stomach pain

You should use your primary care physician for:

- colds;
- ear infections;
- minor sprains;
- flu;
- Hay fever; or
- diaper rash.

Everyone is looking at our nation's plans for health reform. President Clinton and state governments like Florida are passing new laws that will change the way most Americans see doctors, visit hospitals and stay healthy.

The need for change is caused by the expensive cost of serving those in need. One way that each of us can help control costs is to have a family physician be in charge of check-ups, immunizations, health awareness and proper diet. This physician should see you whenever you become sick or hurt, and will send you to special doctors when you need extra care.

When you have a family physician, a long wait at a hospital emergency room can be avoided. Your doctor knows all about you and can often prescribe medicine and give you the personal advice that is best.

## Avoid holiday shopping problems: Check the store's refund and exchange policy before you buy

The Thanksgiving holiday is the traditional start of the holiday shopping season, and the Palm Beach County Division of Consumer Affairs advises consumers that they can avoid disappointments and problems by first checking the retailer's refund and exchange policy before they buy.

It is a widely-held misconception that all stores are required to give refunds and exchanges for the return of merchandise. In fact, Florida law does not require retailers to give customers refunds or exchanges. Under Florida law a retailer only has to post a

notice if it offers "no refunds or exchanges."

Since many consumers are now purchasing gifts for others, it is particularly important for a consumer to fully understand the store's refund and exchange policy. It is also important to note that many stores may have specific conditions which have to be met prior to their acceptance of a returned purchase, such as "All returns must be accompanied by a sales receipt;" or "Returns must be made within ten days;" or "Merchandise exchange or store credit only." Other stores may not offer

refunds or exchanges, such as "All sales final," and other stores which generally offer some form of a refund or exchange may not do so on certain advertised items, such as "All sales final on advertised items." Because of these differing terms and conditions, it is important to note the store's policy before making any purchase.

If you have any questions or wish to file a complaint, contact the Palm Beach County Division of Consumer Affairs at 255-2670 (main office) or 996-4800 ext. 2670 for Glades residents.

## Ask Dr. Boltson

Dr. David Boltson is the associate director of the Western Palm Beach County Mental Health Clinic in Belle Glade, and is a licensed psychologist in private practice in Lake Worth.

### Dear Readers:

Nowadays it seems to me that too many people are more concerned about what they can do, rather than what they should do. The mere biological fact that teen girls and boys are able to copulate and produce offspring does not mean that it is a good idea for them to do so.

"Gangster rappers" are legally allowed to talk about killing cops and "slapping bitches" in order to promote the kind of shock value that sells records and other goods these days. When criticized, these rappers jump and scream that if someone were to censor their records, that this would be a bad thing. Such antics and civil rights posturing however, are just smokescreens that avoid the basic question: Is our society better or worse off when its members are further desensitized to promiscuous sex and heinous violence through their repetition and glorification in our pop culture?

Of course even the "legitimate" news media often desensitize us to negative acts by constant depictions of the daily "bad news". To declare "we just report the facts" avoids moral responsibility.

How they present what they present and why they report what they report will send different messages to media consumers. Just because Americans are guaranteed free speech, doesn't mean that some free speech isn't harmful.

Likewise, too many adults allow themselves to become parents without being morally, socially, intellectually, and financially ready to raise children. Acting morally is more important than doing "what you have a right to do." American adults are mostly allowed to have sex with any other human adult. That doesn't mean that sex with many different partners might not kill you. Whoop, there it is!!!

If you would like to anonymously inquire about issues regarding yourself or your acquaintances, you may do so by writing to Dr. Boltson. You don't even have to give your name or address. Just mail all questions to:

"Ask Dr. Boltson"  
West County Mental Health Clinic

## City Manager Lomax Harrelle responds to Speak Out

Continued from page 4

"Mike Underwood is currently serving the City of Belle Glade in three positions - Parks and Recreation Administrator, Marina Campground Administrator, and Acting Golf Pro. This consolidation of duties under one administrator has saved the city considerably since it eliminated two management positions.

When Mr. Underwood assumed these extra duties, I agreed that he would be able to reside at the campground with utilities included. Since he is on call 24 hours a day and seven days a week, it is in the city's best interests to have him housed at the campground.

Often, he is called out after hours to the golf course as well as to the campground, and it simply is good management to have the administrator nearby within efficient response time. And, until Mr. Underwood took over management of the golf course in 1991, it was a losing operation. In just two and one-half years he has turned it around, with the facility now showing a profit of approximately \$46,000 a year.

Furthermore, Mr. Underwood has personally invested time and talent into promoting the area, and attracting golfers from all over Palm Beach County. He has been the driving force behind attracting professional athletes, such as the Atlanta Braves, to play golf in Belle Glade. Mr. Underwood's work on behalf of young people is a tremendous asset to the city and to the community.

As for Mr. Underwood's involvement with Glades Day School, he documents his time and keeps an accurate accounting of hours given toward the school's athletic program. Considering the amount of time and energy Mr. Underwood generates in his expanded position, I have no problem with him spending his personal hours assisting Glades Day School's athletic programs.

*Have a safe  
and happy  
holiday  
season!*

## New store opens on West Avenue A... gives a sense of "De Ja Vue"

By Brenda Bunting  
Editor

An Arab couple has opened a new business at 332 West Avenue A, Belle Glade, and given their store a French name, De Ja Vue.

They say their store is different in many ways from traditional merchants in the area. Their clientele comes from all walks of life and everyone is treated the same.

"Everything has a price, too," says Leila Shatara, who owns the business with her husband, Odeh Saad. "There's no bargaining here. No matter if you're Haitian, Mexican, Jamaican or American, everybody pays the same price," said Mrs. Shatara.

Mr. Saad says that while it is his culture to bargain, he doesn't believe haggling works anymore. "It's easier for us. Instead of bargaining for a half an hour, if they like it, they buy it," he adds. Smaller items, which might cause concern for shoplifting, are kept behind the counter.

The store, which opened just over two weeks ago, offers a selection of gifts, silk flower arrangements, toys, items to decorate your home, and jewelry.

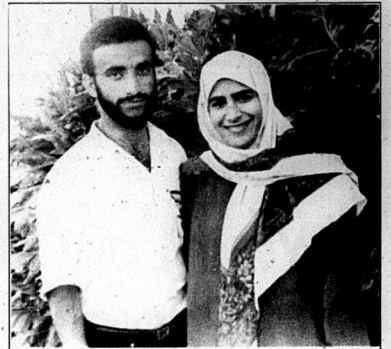

"Everyone who walks by the store is used to seeing the same type of store," said Mrs. Shatara, "but they're coming back to look again, and that's why we named our business De Ja Vue."

The couple says business on West Avenue A has been dead since the off shore laborers stopped coming to the area, but they believe their business will survive. A few years ago, as many as 10,000 off shore laborers helped harvest the areas sugar cane. Now, only a couple of thousand are used, none at Sugar Cane Growers Cooperative in Belle Glade.

"We're not making a lot of money, but most people are coming back. We looked for what was not offered in town and tried fill that need," said Mrs. Shatara.

"We don't follow people around the store," said Mr. Saad. "We try to trust people and be nice and they come back." The store is open seven days a week from 9 a.m. to 8 p.m.

A special drawing is planned for Dec. 10 and everyone is invited to stop by the store and register for the prizes, including a shrimp platter, and a floral arrangement.

Husband and wife team Leila Shatara and Odeh Saad are the owners of De Ja Vue, a new gift shop in the area.

Wisconsin leads all states in milk production.

## All three Glades area schools advance to third round of play-offs

### Gators dismantle Chargers 35-0

By Paula Burkett  
Staff Reporter

Gator fans swarmed the field to congratulate their team when the last second ticked off the clock, Glades Day 35, Shorecrest 0. The Gators had won round two.

The Gators were ready to get the job done when they arrived at Haskell field, and they maintained that momentum throughout the evening.

The Gator defense nullified the Charger offense throughout the entire game, holding their offense to just 91 yards, and only allowing them four first downs, two rushing and two passing.

The Gator offense ended their evening with 395 yards, five touchdowns, five PAT's, and 16 first downs.

Early in the first quarter Graham Chancey scored the first touchdown for the Gators, and this was the

beginning of the end for the Chargers.

In the fourth play of the evening, running back Patrick Whitehead injured his right foot, but it didn't keep him out of the game. He came back with a 2-yd. run to score the Gators' second touchdown of the evening in the second quarter, kicking the PAT, to put the Gators ahead by 14.

Chancey completed a 15-yard pass to Jackie Garrett to score the Gators third touchdown. The PAT was good and the Gators left the field at half-time 21 points ahead of the Chargers.

The Gators went into half-time with their spirits high. Their stands were filled with fans, and they had a 21 point lead.

"They looked about the same on the field tonight as they did on film, but their off tackle play (featuring White-

head) was a lot better," Shorecrest coach Phil Hayford said, in an interview with the Tampa Tribune. "We threw everything we had at it, but we couldn't get it stopped."

"We tried to spread the field in the second half and it worked to some extent, but it was hard to move the ball against their size up front," Hayford told Mike Henry, Tribune Correspondent.

The Gators dominated both the third and fourth quarters with Jeff Goodale scoring two touchdowns in the fourth quarter, both PAT's were good and the Gators finished their evening with another shut out.

With Friday's win over Shorecrest Chargers the Glades Day Gators now move to the third round of district play-offs.

Next stop, Benjamin! Good Luck Gators!

Jeff Goodale of Glades Day races upfield vs. Shorecrest as teammate Farris Shattara (11) looks to block.

**GATOR NOTE**  
The Gators have completed a total of 758 yards offensively and scored 67 points so far in the district play-offs, and held to their opponents to 9 score.

#### Athlete of the week:

Senior defensive back/wingback Jeremy Lovell had two interceptions, four tackles, one carry for 60 yards, and a 40-yard kick off return in the Gators' 35-0 win over St. Petersburg Shorecrest. "He's 5-8 and 137 pounds but he's tough as nails and gets the job done," said assistant coach Craig Dobson.

#### Unsung Hero

Junior wingback Jeff Goodale had 100 yards on 15 carries in Friday's game against Shorecrest. Jeff scored two touchdowns (25 and 4 yards). "Jeff has had a good year blocking at wingback, springing Patrick Whitehead on a lot of sweeps," said coach Dobson.

Congratulations Jeff & Jeremy!

**Look out Benjamin here come the Gators!**

### Raiders remain in playoffs; Anthony scores winning touchdown in OT

Tammy Jackson  
Staff Reporter

The Raiders of Glades Central Community High School showed their championship style as they played a tough game against Miami Pace and came out on the winning end. With the game going in to overtime, fans were at their feet cheering on their Raiders on a victory.

Senior Reidel Anthony, 6-foot, 170 pound brought the crowd to their feet when he returned a 99-yard kickoff for a Raider touchdown while diving in the end zone. He later scored the winning touchdown in overtime. This gave the Raiders a 27-21 overtime victory in the second round of the Class 3A state playoffs.

"I just gave it all that I

had," said Anthony.

Miami Pace failed to score on their possession of the ball in overtime. Being that Pace was unable to score with the first possession of the ball in overtime, Glades Central had four plays to score on its 10-yard line. Raiders Head Coach Rick Casko was cautious and sent in place-kicker Francilme Grand-Pierre to

attempt a 27-yard field goal instead of running any plays. However, an illegal-motion penalty against the Raiders pushed them back 5 yards, giving them position on the 15-yard line. Coach Casko kept the field goal team on the field. Anthony took the snap, took the ball to the 3-yard line and dove into the end zone giving the Raiders the game-winning touchdown.

Referring to the field-goal fake, Coach Casko said, "We work on it all the time. We have a lot of faith in Reidel. Even if he didn't get in, we just wanted to get a little closer."

In the first half of the game, Miami Pace led the Raiders 7-0. They shut down Anthony and virtually shut down Senior Tailback Fred Taylor. Taylor, considered amongst many to be the best running back in the state, was held to only 16 yards. Anthony didn't have any passes and the Raiders failed to score. This was the first time this season that

the Raiders had been held to that extent.

In the third quarter, the Raiders showed that winning style which had already brought them to the playoffs. The game was tied 7-7 when Raiders junior quarterback JaJuan Seider connected with tight end Nathaniel Freeman on a 50-yard touchdown pass. Grand-Pierre added to the scoreboard with the extra kick.

Still nursing a sprained ankle, Taylor finished the game with 94 yards on 17 carries. He scored on a 25-yard run late in the third quarter to give the Raiders a 14-7 lead.

Pace came back and tied the game when Chris Ladler scored a touchdown on a fourth down with 7:03 remaining in regulation time.

With a crowd estimated at 3,500, Anthony brought everyone to their feet with 99-yard touchdown run down the sideline.

"That ignited the whole place," said Rick Casko.

Anthony said, "Coach always tells me to stay in the wedge, but it collapsed so I just bounced outside an used my speed. It was an open field. All I saw was a couple of white (Miami Pace) jerseys. Cheveya Shannon and Thomas Stinson gave me a couple of great blocks."

After much hype, Pace quieted the Raiders stand with an 80-yard, seven-play drive to tie the game 21-21. With an opportunity to defeat the Raiders at Raider field, Pace was unable to do so due to a blocked field-goal attempt by Robert Newkirk. This put the game into overtime. Pace was only able to gain three yards on the Raiders in overtime.

Throughout the game, Pace was penalized 7 times for 65 yards. Glades Central was penalized three times for 35 yards.

The Raiders will continue playoff action as they host Haines City Friday, Dec. 3. Action will get under way at 7:30 p.m. on Raider field.

### Blue Devils defeat Wildwood; advance to semi-finals

By Brenda Bunting  
Editor

Pahokee's Blue Devils avenged a 1985 loss of 60-0 to Wildwood to advance to the 2A semifinals for the second consecutive year. After defeating the Wildcats of Wildwood last Friday night in a game riddled with fumbles by the Wildcats, Pahokee's team won with a score of 22-6.

The Wildcats made two fumbles in the first half and three in the second half. Blue Devil tailback Lafann Williams' took advantage of the Wildcats mistakes to rush 103 yards and score one touchdown for Pahokee.

Quarterback Tyrone Richardson, completed eight of 18 attempts for 107 yards and two TD's.

The Blue Devils got an early 14-0 lead and scored 8 points in the second half to beat Wildwood.

"We were very pleased with the way we played," said Coach Mark Kaczanowicz. "We were really concerned with being able to contain Ron Dixon, who is a great runner at quarterback. He was the guy to watch."

Dixon finished the game with 56 total yards and no touchdowns.

The Blue Devils go on to face Ft. Mead next week in a home game.

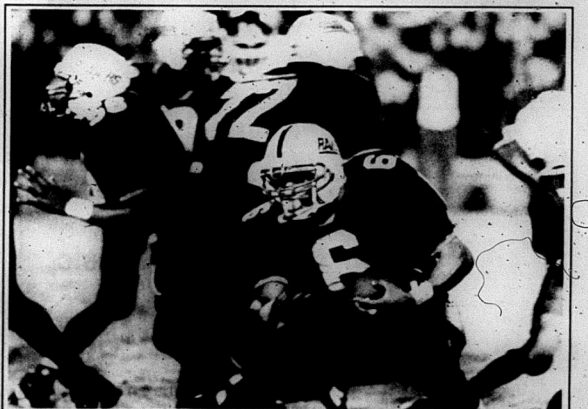

"They have an exceptional

offense and are very, very equal competition," said Coach Kaczanowicz. "Whoever makes

the least amount of mistakes, and has the most enthusiasm, will win."

This Raider fan has that winning Raider spirit.

Whoop there it is... Charles Daniels looks to run up the hole Raider blockers open up.

# Raider Log

By Beth Buchanan

Hope everyone enjoyed Thanksgiving vacation as GCHS students and staff are involved in an intensive three weeks of work and study before the winter holidays break. So much to be done and so little time!

**Progress Reports**

Ready or not, progress reports for the second nine weeks were issued today (Dec. 2) during all classes. As usual, there was good news and bad news for all. Parents, students need your praises or punishments. It's difficult to

believe that a third of the 1993/94 school year is gone and semester finals will arrive sooner than seems possible.

**Raider Football**

As everyone must know, the mighty Raiders defeated Miami-Pace last Friday and now qualify for the quarter finals of the state playoffs tomorrow night against Haines City at home. Congratulations particularly to Reidel Anthony for a super showing, and good luck to the entire team for another victory.

**Students of the Week**

Recently the following students have been recognized for their contributions to GCHS: seniors Jose Lopez, Lorena Morales, Tavares Lovely, and Victoria Ervin; juniors Marcus Bowie, Nanci Alvaredo, and Joe Williams; sophomores, Macquell Davis, Charlene Moorer, Milton Rhoden, and Cola Williams; freshmen, Raymundo Sanchez, Latysha

Crawford, Archange D'Haiti, and Lawanda Ervin. Congratulations.

**Upcoming Events**

In these busy three weeks before another vacation, numerous activities are underway. Girls and boys basketball is now in full swing, as are wrestling and soccer. While football continues to be the topic, the coaches and players of these other sports are working hard for a good season and deserve recognition and student body support.

This Monday (Dec. 6) the Science Fair begins in the Raider Media Center, and all science students have struggled all this week to finish up their projects for display. Meanwhile, many juniors and seniors will be taking the ASVAB test on Dec. 7, given by the Armed Services. Pearl Harbor Day may carry more significance for these students!

Enough for now, and don't forget to do your Christmas shopping!

week grading period and their parents.

Laura Johnson's EMH class took an imaginary trip to Norway while studying Christmas Around the World.

The students dressed as Santa Lucia and her Star Boys. The principal was presented with "Kneibbons", a party favor filled with candy, and "sjokolade Rosinakuler," chocolate raisin balls, which they made themselves.

Attention all art lovers: residents and visitors to the South Bay area will be pleased with Rosenwald's fourth and fifth grade art students print work. Beginning Dec. 1, you may see these prints on display at the South Bay Post Office, the South Bay City Hall, and the Clarence E. Anthony Branch Library. Stop by and take a look. You'll be glad you did.

Thanks goes to the City of South Bay for their support of the Rosenwald Elementary students and their endeavors.

**CRUSADER CORNER**

The Crusaders have returned from Thanksgiving holiday rested, thankful and set for three full weeks before the Christmas holiday!

The Crusader basketball team are in action and schedules are available in the school office. Come on out and support the "red and white."

The Crusader Choir will be in concert this Sunday night, Dec. 5, at First Baptist Church in Belle Glade at 7 p.m. Cornerstone will also sing and students will be sharing some of

their experiences from choir tour. Mark your calendar. You don't want to miss this concert!

"The Gift Goes On" is our elementary Christmas musical which will be presented Thursday, Dec. 9, at 7:30 p.m., at First Baptist. The children have been working hard for this presentation and it's one you won't want to miss!

The Spanish class traveled to Palm Beach Gardens High School Tuesday to see "Don Quixote" performed by the National Theatre of the Performing Arts. The students will see this performed in both Spanish and English. Those attending were Gus Peavy, Nate Butts, Meira Marin, Ginger Wade, Sharon Wetherington, Tori

Kruse, Myles Tyler, Sandra Acosta, Jose Betancourt, Scott Syple, Daniel Rose, Daniel Holt, Lori de la Cerda, Tammy Parrish and faculty member Dalianna Rodriguez.

Our day care participated in the Cystic Fibrosis Foundation Mini March Nov. 16. Mini March is a mini walk-a-thon designed to raise money for cystic fibrosis research. Over 30,000 children suffer from CF and the dollars collected through Mini March will help scientists continue their research for a cure. Almost \$400 was raised by our day care with kaitlyn Rodriguez as the first place winner and Caleb Duff and Cristle Moore tying for second place. Thanks day care and all sponsors for your help in this very important endeavor!

Until next week - catch the Spirit!

Turkey time is over, yet the Gators have a lot to be thankful for as we head into the month of December.

The varsity football team and many of the fans spent part of their Thanksgiving holidays in St. Petersburg, where the Gators trounced St. Pete Shorecrest 35-0 in the regional playoff. They will

face district rival Benjamin at 7:30 p.m. this Friday at Cardinal Newman's field. The winner of that game will play for the state championship in Daytona on Saturday, Dec. 11.

Good luck, guys. Remember - revenge is sweet!

Glades Day's chapter of the National Honor Society sponsored a Thanksgiving Food Drive for needy people in the Glades. Students in grades K-12 were encouraged to bring nonperishable items by Nov. 23. The response was overwhelming as NHS members spent Tuesday afternoon going from room to room collecting food. Congratulations are in order for the ninth graders, who collected 217 items.

The holidays will be here before you know it and GDS is celebrating with Christmas programs over the next couple of weeks. The elementary Christmas program will be at 7 p.m. next Tuesday, Dec. 7, and the Glee Club concert will be at 7 p.m. on Wednesday, Dec. 15 at the Dolly Hand Cultural Arts Center. See you there!

Parents of fall sports athletes - The football/volleyball banquet will be at 7 p.m., Monday, Dec. 13, in the school's gymnasium. You should have received a letter in the mail this week with details. Please send \$5 per parent to the high school office by Thursday, Dec. 9, to help cover the cost of the banquet.

**Congressman Hastings to speak at Rosenwald**

Congressman Alcee Hastings will visit Rosenwald Elementary Friday, Dec. 2. He will be the

speaker at the academic luncheon that will honor students who achieved academic excellence for the first nine-

The Lake Shore Middle School Student Council completed an enormously successful Food For Families drive. The students collected 1,300 food items. This total has topped last year's total.

All items collected were distributed to local organizations in Belle Glade and South Bay.

An afternoon dance was held for the student body to say "thanks" for helping in the community.

Teachers assisting the students in their drive were Delores Robinson and Judy Westbrook.

**Pahokee Chamber Chatter**

The Pahokee Chamber of Commerce will sponsor their Eighth Annual Lighted Christmas "Parade Under the Lights" on Monday, Dec. 6.

The parade will begin promptly at 7 p.m. Line-up will begin on Larrimore Road, and participants will travel down East Main Street to the downtown area.

For more information and details, please call the chamber office at 924-5579.

Representatives from the Pahokee Chamber of Commerce will making their tour through the best area on Monday night, Dec. 20, looking for the best Christmas decorations in both residential and commercial areas. Thirteen awards were presented at the annual chamber banquet for the winners of the 1992 contest.

The Pahokee Chamber of Commerce wishes to thank each and everyone and have a safe and happy holiday!

# Glades Day School students named to second six-weeks honor roll

The following students have been named to the honor roll at Glades Day High School:

## Seventh grade

Alla's  
Shuruk Abraham  
Julie Baumgartner  
Kit Hanley  
Derek Lamb  
Jon Paul Miller

## A's and B's

Israel Baez  
Andy Echenique  
Heidi Lakatos  
Jeremy Maxwell  
Eddie Motes  
Brooke Prescott  
Nicole Rivas  
Joy Siskley  
Donnie Scruggs

Stephanie Terrill  
Ryan Whitlock  
Walter Woods

## Eighth grade

Alla's  
Parker Altman  
Carla Alvarez  
Michelle Herring  
Emily Watson

## A's and B's

Trey Alava  
Bianna Bahruth  
Tiffany Carter  
Brad Davis  
Patrick Hodge  
Mary-Ann Hollingsworth  
Justin Jackson  
Alicia Schaper  
Suzie Shatara

Jimmy Wilkinson

## Ninth grade

Alla's  
Jackie Alvarez  
Miriam Barhoush  
Tamam Barhoush  
Lesley Carter  
Ricky Carter  
Shannon Dobrow  
Justin Hamilton  
Monica Schmidt

## A's and B's

Jessica Alvarez  
Stacey Cox  
Karen De Castro  
Gada Halum  
Stephen Lowery  
Heath Norman  
Janet Towell

Melissa Tucker  
Rheid White

## Tenth grade

Alla's  
Patrick Altman  
Mathew Lowery  
Fida Musallat  
Tara York

## A's and B's

Deanna Grimes  
Dengda King  
Marnae Kohr

## Eleventh grade

Alla's  
Hana's Barhoush  
Jeff Goodale  
Wayne Schmidt

## A's and B's

Shelley Davis  
Heather Evans  
Naty Garcia  
Lori Lamb  
Adriana Perez  
Sarah Willis  
Sara Woodham

## Twelfth grade

Alla's  
Ashley Challancin  
Marcy Angel  
John Grady

## A's and B's

Michelle Alvarez  
Jonas Barrestam  
Stacie Baumgartner  
Amie Carter  
Ryan Courson

- Nuts and Bolts Count - Harold Snyder, Clewiston
- Trivia Quiz - Heather Mammen, Clewiston

## Raffle

- Antique Car Face Watch - Dan Willis, Belle Glade
- Picnic Cooler w/supplies - Paul McNaughton, West Palm Beach

## Club Participation Trophy

- Big Lake Cruisers, Clewiston

Weather at the 1993 Grassy Waters Festival held in Pahokee was superb for volleyball.

## Scholarship competition announced by Duracell

All ninth through 12th grade students with an interest in technology, electronics or mechanics are invited to power their imaginations and enter the new and expanded 12th Annual Duracell/NSTA Scholarship Competition to be eligible for a number of awards totalling over \$90,000 in U.S. Savings Bonds.

For the first time this national competition is awarding prizes in the form of savings bonds and is giving them to each of the 100 finalists. The competition now grants a first place savings bond of \$20,000, five second place \$10,000 bonds, 25 third place \$1,000 bonds, 25 fourth place bonds of \$200 each, and savings bonds of \$100 each for 59 fifth place winners.

Jim Donahue, Duracell vice president for corporate communications, said, "We've had so many creative entries over the years, we wanted to give more students this higher level of recognition and reward."

In addition to the savings bonds, every student who submits a complete entry to this competition is given a wallet and the teachers of the top 100 finalists also receive gifts. Sponsoring teachers of the top six winners will receive an IBM PSI computer system. The first

and second place winners, their parents and teachers will be guests of Duracell for awards festivities which will take place during the 42nd Annual Convention of the National Science Teachers Association (NSTA). The awards will be given to the top six winners at a luncheon hosted by Duracell/NSTA, on March 30, 1994 in Anaheim, Calif. The luncheon will be moderated by NASA Teacher in Space Designee, Barbara Morgan.

To enter the Duracell/NSTA Scholarship Competition, a student must design and build a battery-powered device that is educational, useful and/or entertaining. It must run on AA, AA, D, C, 9-volt or lantern-size. Entrants must also submit a written description, wiring diagram, and photo of their device by Friday, Jan. 21, 1994, at 5 p.m.

Entry forms and rules are available from science and other teachers and from Duracell/NSTA Scholarship Competition, 1840 Wilson Blvd., Arlington, Va. 22201-3000. The telephone number is (703) 243-7100.

Student inventors retain all rights to their devices.

## FLORIDA TAX IS REQUIRED ON OUT-OF-STATE PURCHASES

**A**ll Floridians who buy taxable products from out-of-state dealers are required by law to pay the state's 6 percent tax. If you buy through mail order, over the telephone or even in person at an out-of-state store, section 212.06(8) of Florida Statutes requires you to pay the tax. Examples include purchases from mail order catalogs, furniture from dealers in other states and computers from vendors advertising in magazines. If the seller fails to collect sales tax, he puts the burden to pay on you. You must make payment directly to the Department of Revenue.

The state loses hundreds of millions of dollars annually because most residents are not aware they must pay this tax. Please begin now to pay the 6 percent tax on your out-of-state purchases. To pay your fair share, you may obtain additional information by calling **1-800-FLA-DOR1** (1-800-352-3671) or contacting your local Department of Revenue service center.

**Tax on out-of-state purchases made during October, November and December are due January 20th.**
